

## Average worker wastes 2 hours a day

**WASTING TIME:** According to a Salary.com survey, these are the nine biggest ways in which workers waste time. Do you waste time in these ways? How could the following examples of time wasting be “creative”?

	GUILTY?	CREATIVE?
<b>1</b> Surfing on the web (personal use)		
<b>2</b> Socializing with co-workers		
<b>3</b> Doing personal business		
<b>4</b> Spacing out (daydreaming)		
<b>5</b> Running errands away from the office		
<b>6</b> Making personal phone calls		
<b>7</b> Applying for other jobs		
<b>8</b> Planning personal events		
<b>9</b> Arriving late / Leaving early		

**SPACING OUT:** How often you space out – daydream or stare into space. Is your mind blank or active? What happens in each of these situations:

- At your desk at work
- In a meeting
- On the bus or train
- Watching TV at home
- Driving a car
- Being with family or friends
- Alone with your partner
- Taking a shower

*“Time you enjoy wasting is not wasted time.”*

**BNE:** Time is money and \_\_\_\_\_ to a new survey, workers waste a lot of working time. A questionnaire \_\_\_\_\_ by 10,000 employees reports an average of 2.09 hours \_\_\_\_\_ is idled away in businesses. This is \_\_\_\_\_ much as company bosses thought. It means companies lose \_\_\_\_\_ \$\_\_\_\_\_

billion in the USA. However, bosses are \_\_\_\_\_ by these figures. Many executives think this idle time is \_\_\_\_\_ to a company. Salary.com's Bill Coleman called it "\_\_\_\_\_ waste".

The top time-wasting activity was using the Internet for \_\_\_\_\_ - 44.7% of workers confessed to this. Other big \_\_\_\_\_ were chatting with co-workers (23.4%), personal business (6.8%) and \_\_\_\_\_ (3.9%). The top time-wasting \_\_\_\_\_ was not having enough work to do (33.2%). Workers also complained about feeling \_\_\_\_\_ (23.4%) and being \_\_\_\_\_ by co-workers (14.7%). The survey also found that men and women wasted \_\_\_\_\_ of time.
